				Employment Services is a recruitment platform that provides
				hiring-related services to corporates/recruiters, placement
agencies,
				and job seekers in India and overseas. We offers multiple products
				like Resume Database Access, Job Listings, and Response
Management
				Tools. Direct connectivity between recruiter and jobseeker is
				possible with no consultancy involved. All the recruiters are
				verified with proper documents, and job seekers' profiles are
				verified. It is a chat-based direct hiring app specially designed for
				high-growth startups. Employment services Startup helps job
aspirants
				to get in touch with startup leaders without any third person.</p>
